MEMO TO: Rural Water Customers

SUBJECT: Automatic Withdrawal Authorization

The Cedar Knox Rural Water Project offers automatic bank withdrawal. This is a convenient payment option in which your water bill is automatically deducted from your checking or savings account.

If you are interested in signing up for this service fill out the form below and return it to our office. No faxed or e-mailed signatures can be accepted. If you have multiple rural water accounts, please list each account number on the form below. If you have questions, please give the office a call.

Monthly statements will reflect current usage with the notation "Bank Paid". The deductions are made on or around the fifth day of the month. If you don't receive a post card the withdrawal will still be made so you should give us a call if you haven't received your bill by the fifth day of the month.
